REQUEST FOR RECONSIDERATION AFTER FINAL REJECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In reply to the November 6, 2003 Office Action, reconsideration of the rejection is respectfully requested in light of the following remarks.

Claims 1-13, 24, 26, 28-29 and 31 are pending in this application. Reconsideration in view of the following remarks is respectfully requested.

The Office Action rejects claims 1-13, 24, 26, 28-29 and 31 under 35 U.S.C. §103(a) over Inomata et al. (U.S. Patent No. 6,623,875) (Inomata). Applicants respectfully traverse this rejection. In particular, Inomata qualifies as prior art only under 35 U.S.C. §102(e), in terms of its filing date. Accordingly, since Applicants' inventions' priority dates are February 26, 2001 and November 27, 2000 respectively, Applicants assert that Inomata is eliminated as prior art by virtue of the enclosed verified translations of the priority documents

perfecting the claim for priority. Accordingly, Applicants respectfully request that the rejection of the claims be withdrawn.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1-13, 24, 26, 28, 29 and 31 are earnestly solicited.

Applicants note in the Office Action's "Response to Arguments", that U.S. Patent Nos. 6,645,646 and 6,645,614 are cited as art of interest. Applicants attach a PTO-1449 Form listing the two references, and request that the Examiner make the references more officially of record. For the convenience of the Examiner, copies of the references are also attached.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
